

Gimme Shelter!!!

2 Years: 50 New Trees!

Himmel Park Revitalization Campaign

“When is the best time to plant a tree? Twenty years ago. When is the next best time to plant a tree? Now!”

Planting Day TBA

Friends of Himmel Park needs your help now! Trees in the park keep falling and dying and the City has limited funds to replace them. More than a dozen mature shade trees have been lost in the past two years—five alone went down in the first monsoon of the summer. With them has gone precious shade and the unique beauty of one of Tucson’s oldest, most beloved parks.

This Summer the **Friends of Himmel Park** in partnership with Tucson Parks and Recreation is launching a **Gimme Shelter** campaign to purchase and plant 50 new trees both within the park and around the perimeter over the next 2 years.

20, 60, 70 years ago other Tucsonans were thinking of us when they planted so many beautiful trees in Himmel. Now it’s our turn to do the same for future generations. “Like” us on Facebook/ Questions call 520-271-8978
